

Lake Sam Rayburn 2/17/24 Trailered Event Instructions TexasTeamTrail.com

**Launch after 6:00AM, First Cast at 7am, Lines Out 3pm,
Check in at Trailer by 4:15**

Safety Check: Every team will be provided a numbered buoy at registration. **We MUST have this back at the end of the day so we know you are off the water safely.** Only in the event of circumstances that prevent you from coming to the weigh in site you may text your boat # to 512-773-7401 and state that you're "***off the water safely***". Then you can return our buoy back to us the first chance you get. **Every buoy must be returned to us.**

Boat numbers: Every team will be issued a set of boat numbers at registration on Friday. Place the numbers "high and dry" on each side of your motor cowling (they will not leave any residue on your motor). If you use a motor cover, place on both sides of the console or gunnel of your boat. This allows other tournament competitors to identify you as a tournament boat and helps our camera teams identify you on the water.

Weigh in process: One member of each team is required to check in at the American flag on the back side of the trailer/stage by 4:15 to avoid late penalties. You will return your buoy, and if weighing fish, you'll be issued an official weigh bag. You can then bag your fish and enter the weigh in line. **DO NOT BRING FISH TO THE WEIGH IN LINE IN YOUR OWN BAG. YOU MUST USE THE TXTT WEIGH IN BAG.**
